<p>Prescription Drug Abuse Prevention Project</p>	<p>Russ Duke, CDHD</p>	<p>Russ Duke spoke about the Prescription Drug Abuse Prevention Project with the intention of just making the group aware of the project. CDHD submitted an application to the Idaho Millennium Fund on behalf of the public health districts to increase the utilization of the Prescription Monitoring Program. Russ went over the statistics in regard to national and statewide prescription drug abuse, and wanted to specifically talk about the prescription monitoring database. He is working with the Board of Pharmacy to see how well the system is used. Russ will be asking for \$230,000, and has the support of Idaho State University, Board of Pharmacy, and the Idaho Chapter of Family Physicians. The hope is to make the prescription monitoring database more</p>	

<p>ICADD Scholarships;</p>	<p>Rosie Andueza, DHW</p>	<p>efficient than it is today, and more user-friendly for physicians. The goal for the first year of the project is to get a foot in the door. Russ requested that Board member or guests refer any contacts they may have for individuals have been affected by prescription drug abuse, whether it be themselves or a family member, who might be willing to provide a testimonial for a short video that will be included in the Millennium Fund presentation. Referrals can be sent to Rebecca Lemmons (rlemmons@cdhd.idaho.gov) or Alaina Hayden (ahayden@cdhd.idaho.gov)</p> <p>Rosie Andueza spoke on Tom Hogan’s behalf about ICADD (Idaho Conference on Alcohol and Drug Dependency) scholarships. The scholarship is to help offset the cost of attending the ICADD conference, and they are now opening the second round of scholarships. This money comes from the Idaho Millennium Fund. Rosie will send out the parameters of the scholarship to Jennifer Burlage today, who will then forward onto the group.</p>	<p>Rosie will send the ICADD scholarship application to Jennifer Burlage, which will then be passed along to the Board.</p>
<p>State Planning Council</p>	<p>Evangeline M. Beechler, State Planning Council</p>	<p>Evangeline M. Beechler stated that she is going to start attending all Region IV BHB meetings, and will act as the liaison to the Board for the Behavioral Health Planning Council. The Behavioral Health Planning Council members are appointed by the Governor. They review the Behavioral Health block grant, given by SAMHSA (Substance Abuse & Mental Health Services Administration), and give recommendations for behavioral health to the Governor’s Office. They meet 2 to 3 times per year. Their report is available on their website. http://www.healthandwelfare.idaho.gov/Medical/MentalHealth/BehavioralHealthPlanningCouncil/tabid/320/Default.aspx</p> <p>Evangeline discussed that the Office of Drug Policy would like help in spreading the word about Narcan (naloxone). <p>Process Flow Org Chart;</p> <p>Revised Grant Application Process</p>	<p>Jennifer Burlage, Treasurer</p> <p>Rebecca Lemmons, CDHD</p>	<p>Jennifer Burlage put together a high-level process flow org chart for the BHB. Carlos mentioned that this was helpful.</p> <p>Rebecca Lemmons spoke briefly about the grant application process developed for the Board. She went over the revisions from the last meeting which included clarifications about the types of grants CDHD is eligible for and including the Board’s Executive Committee in any decisions regarding employees or contractors hired to implement grant activities.</p> <p>Rebecca brought up that DHW and CDHD can spend some time providing assistance with grant writing for small grants, such as those that are less than 20 pages, less than \$10,000, or for a local foundation. If the grant is larger, or is a federal grant, the Committee or individual applying may want to hire a grant writer. Administrative costs for fiscal management and reporting by CDHD will be written into the grant application. CDHD is to hold the contracts and do the bidding process for employees or contractors hired. Commissioner Hasbrouck brought up that he is concerned about the liability in opening bids, and would like for the group to start thinking about an appeal process.</p>
