Notes

10:00	Introductions	
	Review Notes from 11/6/18 Committee Meeting	No notes were ready to be shared from November meeting.
	Workforce Development and Training Report	Gina Westcott was unable to be present, but did send a PowerPoint to watch. There were some technical issues setting up the PowerPoint for participants to also view remotely. The committee was able to view approximately 75% of the PowerPoint, but felt the information was important enough that we will continue to watch the final 25% at January's meeting. Unfortunately, the PowerPoint is so large, it can only be viewed directly from our SharePoint site, and cannot be sent electronically. At our next meeting in January, the committee would like to gather questions about the material, and also begin to look at ways we

		can help support the workforce in Idaho meet the needs of youth.
	Behavioral Health Board Updates	Autumn/Amy – Amy Korb will share more about the Partnership for Success Grant at the January meeting. Caroline Meserschmidt was hired by CDHD to lead this grant opportunity. A reminder the next legislative function is scheduled for January 29 th . Committee members are invited, and also encouraged to volunteer to help with the function.
	Optum Updates	Crystal Lish shared that CBRS definitions were expanded to include Skills Training.
	YES Updates	Mary/Mechelle – No time to share any updates.
